All the team at Parc des Monges are dedicated to your holiday enjoyment.

Our camping is situated at the foot of the picturesque village of Auribeau-sur-Siagne on the French Riviera. Offering you a calm place to relax within the flourishing surroundings along the Siagne river. Close to Cannes and its boardwalk, neighbouring the famous perfumeries of Grasse and not far from the magnificent Gorges de Verdon, this camping possesses all of the assets for successful holidays.

On the river and 15 minutes to the seaside, this camping surrounded by nature in the Cannes countryside, welcomes you with a friendly and familiar atmosphere on one of the 55 plots in the shade or in the sun shine.

You can relax by the side of its large, heated swimming pool (18m x 10m) and in the jacuzzi, or even have a drink on the terrace of the snack-bar which is found just beside them. Fishing, table tennis, table soccer, bouldrome and children's playground are there to entertain both young and old.

For external visits, a bus stop is located just outside the camping which allows you to easily access Cannes, Grasse or Pégomas.
